

DM REGISTRATION PROCESS FOR LABS & INSPECTION BODIES AS PER LOCAL ORDER 52/1990 REQUIREMENTS

- **Receipt of Application (including relevant documents; DM forms 1-5, checklist for quality manual, location of Lab/IB)**
- **Contract Review**

Review of Quality Manual and Procedures Manual, DM Forms 1-5 by Labs Licensing Committee

Issuing a “No objection Letter” to the Department of Economic Development (DED) to issue Professional Licenses for private commercial Laboratories and Inspection bodies which intend to provide services in Dubai, before their establishment.

Issuing of professional license by Department of Economic Development (DED)

Compliance Audit for Assessing the Lab/IB after it obtains the professional license from DED. The private commercial lab/IB quality documentation will be assessed and onsite visit will be conducted to ensure that the requirements of Local Order 52/1990 are fulfilled.

Registration Notification Letter will be issued valid for one year and subject for renewal.

The registered lab/IBs will be re-visited every year in order to ensure their continuing compliance with the registration requirements before renewal.
